Some things you need to know about Google Scholar | The ... Summary: Google Scholar is great, but its inclusiveness and mix of automatically updated and hand-curated profiles means you should never take any of its numbers at face value. Case in point: the power couple Prof. Et Al and Dr. A. Author, whose profiles I created following Scholar's recommended settings (and a bit of manual embellishment). If you have a Scholar profile, make sure you don't. What You Need to Know Before You Start a Soap Business Here's what you should know before you start a soap business of your very own: 1.
